Energizer has introduced an innovative cell chemistry that will bring you the best characteristics of both high drain and low drain systems into one battery type. Multi-drain batteries will work in any watch, either high or low drain. The new multi-drain batteries will allow you to reduce your inventory. You will now be able to replace any silver oxide battery on the market by stocking only 32 types. The shelf life has been improved up to 7 years. This adds up to a 40% improvement!

- Benefits Include:**
- Reduced Inventory - Less types to stock
 - Faster Stock Turnover
 - Increased Shelf Life
 - Takes up less space
