A. Magic "Flame" Soldering Compound

This is a 4 in 1 soldering compound that works for all non-ferrous metals. It eliminates
fire scale, is non-toxic, biodegradable and long lasting. It is non-hazardous to ship.

- As a Dip - Mix with denatured alcohol as you normally would with boric acid to create a super fire coat.
- As a Flux - Mix 1 to 1 with water and you have a gold and silver flux. Add as much as you need to get the flux ability you desire.
- As a paste - Use full strength and it is a superior paste flux.
- Use full strength and it is a casting flux.

Magic Luster

Magic Luster industrial strength super concentrate is a major breakthrough in liquid ultrasonic cleaners. It is a fast and long lasting super concentrate that cuts through rouge and tripoli in seconds. It is a 40 to 1 mix so the gallon container will make 40 gallons of solution by adding water. That means you get 4x the solution for about the same price as the 10 to 1 concentrates on the market. Biodegradable and non-ammoniated.

Sold by the gallon.
